

ENGLISH LESSON

THURSDAY

1. Today we are going to talk about the animals and prepositions. And we will start with the song The Animals On The Farm.

2. Then, let's have a look at the flashcards. The Animals On The Farm are having a concert! But watch out for the pesky mouse. Where is he hiding? Is he in, on, next to, or behind something?

3. After that, children are offered to work with the worksheets.

Worksheet 1 - Practice farm animal vocabulary with this simple worksheet. Review the names of the animals and the sounds they make. Then, match the animals to their silhouettes.

Worksheet 2 - Let's count the animals on the farm. How many horses do you see? Write the number on the line. This worksheet is great for practicing numbers.

Worksheet 3 - Let's make our own farm! Draw pigs, sheep, horses, cows, roosters, and more. You can do it on the separate sheet of paper.
