ENGLISH LESSON

MONDAY

1. Our topic today is connected with colours. And we are going to start with the song Red Light, Green Light.

<https://youtu.be/xoyEDrMDirA>

2. Then, let's revise the colours with the help of the flashcards. Please show them to the kids and ask them to name each colour.

3. Now you are offered to work with the worksheets.

Worksheet 1 - Bye bye, butterfly! Use this worksheet to practice number and color recognition to make your own beautiful butterfly. Parents can read out the colors to assist younger kids.

If you can't print this worksheet, please ask kids to draw a butterfly and colour it the way you say.

Worksheet 2 - Follow the instructions to practice colors, counting, and left/right by coloring the different hearts.

If you can't print this worksheet, please try to do this task on the separate sheet of paper.

4. At the end kids and parents are asked to make a traffic light following the link.
