

ENGLISH LESSON

FRIDAY

1. Today our topic is connected with nature. And we will start with the song And The Green Grass Grew.

2. Next, let's revise Nature vocabulary. Please translate these words into kids' native language SUN, CLOUD, SKY, RAIN, TREE, GRASS, FLOWER.

3. After that, children are offered to work with worksheets. The Treetop Family loves their home in the Old Oak Tree. Use these worksheets to make your own tree! You can color, paint, or glue on different materials. Download includes four seasonal trees and one unmarked worksheet.

If you can't print these worksheets, please try to draw such trees on the separate sheet of paper.

4. The last task for today is to make the sun following the link
