

ENGLISH LESSON

WEDNESDAY

1. Today we will start with revision of some actions and feelings. First, parents are giving instructions and children have to follow them:

-clap your hands,

-stomp your feet, turn around,

-stretch up high,

-touch your toes,

-wash your face,

-brush your teeth.

2. Then, we are going to listen to the song "If You're Happy". Kids have to repeat the actions while listening.
