ENGLISH LESSON

MONDAY

1. Today we will start with the fun song 10 LITTLE FIRE TRUCKS.

2. Then, let's count 1-20 and 1-10 for younger kids.

3. Next, let's work with the worksheets.

Worksheet 1 - That tricky sticky rice sure is tricky! Help the Bumble Nums figure out how much rice there is by counting the grains of rice on each stalk. Then write the number in the circle.

Worksheet 2 - Connect the numbers from 1 to 10, to make a special shape! Then color the picture.

If you can't print this worksheet, please try to do such task on the separate sheet of paper.

4. At the end let's have fun with FELIX'S FIRE TRUCK
